CYA – Silver VI, Advanced Racing and Tactics Program 2012

Program:

An intensive sailing program designed to teach advanced theory, racing rules, racing tactics, and to qualify these students for the Silver Sail Level. A C.Y.A. qualified coach, who will instruct students and coach them on the racecourse, directs this program.

Boats:

The program will be taught using the Club supplied Club 420 sailboats. These are high performance, expensive racing dinghies. The Beaconsfield Yacht Club believes it is important to supply these quality boats to students in order to improve their skills, and encourage their continued participation in sailing while maintaining affordability and accessibility for all. Along with this commitment from B.Y.C. comes the need for a commitment from the students. Each student will be expected to treat the equipment as if it were his or her own. The club will reserve the right to charge participants for damage done to the equipment resulting from negligence or carelessness, to a maximum of \$500.00 per boat crew member.

Participation:

Students are required to compete on a regular basis. In addition to the daytime program, participation in other racing events is expected. Participation in evening club racing and weekend regattas around the lake is encouraged. In addition, trips to other cities may be planned; participation in these trips will be dependent upon level of participation in the local events and family support. We encourage students to seriously consider enrolling for both sessions. "The Silver Sail" curriculum is very demanding and will easily require two or more sessions to achieve.

Time period:

Two sessions are offered for the coming season. The first session begins Monday, June 25th. Session two starts Monday, July 23rd. Participation is limited to 10 students per session due to the limit of 5 boats supplied by the club. The possibility of "bring your own boat" participation is there; however, this must be discussed in advance with the club manager.

Membership:

All students will be required to be club members. The junior fee for the 2012 season is \$88.00 less discount of 15% = \$75.00 plus tax.

Eligibility:

For those squadron students who have completed CYA level Bronze V. For those students who have completed CYA Silver Level VI who wish to continue in a competitive sailing environment.

The Beaconsfield Yacht Club (BYC) Code of Conduct

The BYC Code of Conduct for junior sailors is aimed at providing a safe and effective learning environment for individual sailors and for the entire sailing class.

1. **Sailors** wishing to participate in the BYC Program agree to the following:

- That they will obey all safety instructions, given verbally or posted.
- That they will treat their fellow sailors, their instructors, and BYC members with courtesy and respect.
- That they accept responsibility for the equipment that is entrusted to their care.
- That they will respect the on-land and on-water environment by the proper disposal of their refuse.

I agree to abide by these terms and recognize that failure to do so may mean my Junior Sailing Program privileges will be suspended:
